MEMORANDUM FOR: DDS&T (Mr. Duckett)
DDI (Mr. Proctor)
DDO (Mr. Nelson)
DDA (Mr. Blake)
Executive Secretary (For DCI
Senior Staff Components)

SUBJECT: DCI Briefing Schedule

ACTION: Please See Paragraph 3

1. The DCI has approved in principle both the subjects and their order of priority as shown on the attached list of briefings which were recommended by the Deputy Directors and the Senior Staff components.

2. Please note that certain of the briefings have been grouped together in clusters because the general subject to be discussed involves several Agency and/or Intelligence Community interests. It also should be noted that the briefings within every cluster will be offered individually and each briefing will be separated from its companion briefings by whatever time is required for the DCI's other business.

3. All the briefings, with two exceptions, are as yet unscheduled. I would appreciate receiving any comments concerning proposed changes to the order of priority, or the grouping of subjects, by close of business Tuesday, 3 February. (A telephone call will suffice.)
